

# Smarter Medicare shopping, built for your pharmacy.

90% of seniors pick the wrong Medicare plan. That often means losing coverage at the pharmacy they trust. Healthpilot makes it easy to find a better plan that keeps your pharmacy in-network and your customers coming back.

**7x more accurate**  
spent on healthcare in  
retirement on average

## We Keep Your Pharmacy Top Of Mind

We **auto-add your pharmacy** to every customer's profile so they see plans that keep you in-network. **No guesswork. No surprises.**

**4.8 trustpilot**  
score on 1.2k+ reviews

## Build Loyalty, Reduce Churn

Customers stay with your pharmacy - **100% enroll in plans that keep you in-network**, while reinforcing your brand as a trusted healthcare partner.

**\$350 & \$550**  
annual average drug cost  
savings for PDP & MA plans

## Smarter Plan Matching = Lower Drug Costs

Medicare Advantage customers **save \$550 per year on prescriptions**. Lower costs lead to better adherence - and more consistent refill revenue for your pharmacy.

### Thorough review of coverage for my prescriptions

"Thorough review of coverage for my providers and prescriptions. Healthpilot did the research for me, saving me valuable time." —
